

Instructional Technology Support and Equipment at the High School

1. Instructional Technology Specialist (ITS)	Maggie Emens Margaret_Emens@hflcsd.org Tim Baker - Computer Paraprofessional Phone: 4127
2. Library Media Specialist (LMS)	Brett Daggs Email: Brett_Daggs@hflcsd.org Phone: 7074 http://www.hflcsd.org/high/library.php
3. Databases	The high school subscribes to many valuable information databases that support curriculum. They are accessed on the high school library website @ www.hflcsd.org > high school > library > databases (see Brett Daggs for username and passwords)
4. Software	For software requests, contact your ITS for your specific needs to determine if we have available. If not available they can provide you with our software purchase procedures and forms.
5. Projectors and digital cameras	Projectors and digital cameras(still and video) and any associated wires and/or cables are available for sign-out through the library media center (LMC).
6. Smartboard	Smartboards are available for sign-out from the LMC.
7. Videos	Videos and DVDs are available in the LMC. For online video streaming visit: http://boces.streaming.monroe.edu/
8. Desktop Computers and Wireless Carts	Desktops computers are available in the LMC- call or see Mr. Daggs to reserve time for your classes. Laptops carts are available for sign-out through the reservation system on the high school webpage under staff resources.
9. Scanners	A scanner is available in the Library.
10.TV	Each classroom is equipped with a TV. There is full cable access throughout the building. TV/VCR and TV/DVD carts are also available from the LMC.
11.VCR/DVD	Most classrooms are equipped with a VCR and/or VCR/DVD.
